## Royal Enfield Himalayan 2020

Built for all Roads, Built for no Roads. Gear up to ride anywhere. Test ride today. Designed to be tough, versatile and adaptable to all kind of terrain

**£4,199** <sup>+OTR</sup>  
from **£84.52** p/m

All of Himalayan's sums and parts work in perfect harmony to utilize the energy of the terrain it traverses. A grounded stance, terrain tested suspension, dual purpose tyres combined with agile handling means the Himalayan can handle any off road environments. The Himalayan cradles a rider in its low seat height, the handlebars and footpegs work in perfect sync to unite the rider with the motorcycle for a comfortable upright posture. The inherent mounting points in the front and back let you strap up and set off anytime, while the LCD instrument cluster keeps you in track of miles to maintenance. \*2020 model refers to updated Colour schemes, New Model Version Euro 5 due towards the end of 2020. Recently internet Reported BS6 model is an Indian Specification model ONLY! NOT available in UK & Europe
