# Z900 SE FEATURES

## Superior Suspension

The large-diameter gold-colored inverted fork with greater adjustability is complemented by a Öhlins S46 rear shock for increased ride comfort and a superior sense of grip and handling. The rear suspension is also equipped with a remote preload adjuster, which makes it easy to adjust settings without tools to suit tandem riding or luggage.

## KTRC (Kawasaki Traction Control)

Kawasaki's advanced traction control system provides both enhanced sport riding performance and the peace of mind to negotiate low-traction surfaces with confidence. Three riderselectable modes offer progressively greater levels of intrusion to suit the riding situation and rider preference.

## Brembo Brakes

The front brake package with Brembo components offers stronger stopping power and contributes to even more precise control and greater ease of use. The ø300 mm Brembo front discs and M4.32 radial-mount monobloc calipers are complemented by a Nissin radial-pump master cylinder with stainless-steel braided lines to deliver greater stopping power and a more linear progression when operating the brake lever.

## Smartphone Connectivity

A Bluetooth technology built into the instrument panel enables riders to connect to their motorcycle wirelessly. Using the smartphone application "RIDEOLOGY THE APP," a number of instrument functions can be accessed, contributing to an enhanced motorcycling experience.

## Assist & Slipper Clutch

The assist cam reduces the clutch spring load for lighter clutch lever operation, which helps reduce rider fatigue in city riding situations like stop & go traffic or traffic jams. The slipper clutch relieves pressure from back-torque to help prevent the rear tyre from hopping and skidding when downshifting.

Credit is subject to status and is only available to UK residents aged 18 and over. K.Options Personal Contract Purchase (PCP) is only available through Kawasaki Finance, a trading style of Black Horse Ltd, St William House, Tresillian Terrace, Cardiff, CF10 5BH. Finance figures are applicable at time of print and are subject to change. With K.Options Personal Contract Purchase you have the option at the end of the agreement to: (1) Return the motorcycle and not pay the Optional Final Repayment. If the motorcycle is in good condition (fair wear and tear accepted) and has not exceeded the maximum agreed mileage you will have nothing further to pay. If the motorcycle has exceeded the maximum agreed mileage a charge of 7.2p (including VAT at 20%) will apply per excess mile. (2) Pay the Optional Final Repayment to own the motorcycle or (3) Part exchange the motorcycle subject to settlement of your existing finance agreement; new finance agreements are subject to status.
