SUPER CHIEF LIMITED FEATURES

Thunderstroke 116

The air-cooled Thunderstroke 116 produces 162 Nm of raw torque for passing power in all 6 gears, giving you the power to leave everything—and everyone—in your exhaust.

Designed for Adventure

Practical design means cutting no corners. Built for anything with saddlebags, wire wheels, windshield, and floorboards standard.

4" Ride Command Touchscreen

The 4" touchscreen maintains a classic aesthetic by disguising itself as an analog gauge. Use it as a speedo and a tach, but it also controls ride modes, and lets you answer and decline calls.

Premium Chrome Finishes

Premium chrome finishes, fork covers, wire wheels, a large headlight nacelle, and iconic Indian Motorcycle script badging on the tank.

Light Your Way

Full LED lighting provides great visibility to the road ahead.

Features for the win

Off the line, every Super Chief Limited comes with keyless ignition, USB charging port, cruise control, ABS, and super-sticky Pirelli Night Dragon tires.
