SEAT HEIGHT

785mm

GEARBOX

6 Speed

TANK CAPACITY

11 Ltr

£3,999

+ OTR

GSX-S125 FEATURES

Feature 1

The engineers behind the GSX-R series have been perfecting engines for over 30 years, and this is their latest masterpiece. In the 125cc class the GSX-S125 has the best power-to-weight ratio, the best torque to weight ratio and the best acceleration

Feature 2

The GSX-S125 features advanced electronic fuel injection, which delivers fuel based on what the rider is doing with the twist-grip throttle as well as input from sensors monitoring engine rpm, intake air pressure and temperature

Feature 3

The GSX-S125 features a convenient easy start ignition system with a shutter-key lock system. The key fob carries a unique, random magnetic code pattern which opens the shutter when the fob is lined up and pushed into a receiver on the ignition lock cover

Feature 4

The ECM on the GSX-S125 runs the one-touch Suzuki Easy Start system. The convenient Suzuki Easy Start System automatically starts the engine with one touch of the starter button mounted in the switch module on the right handlebar
