Keeway TX 125 Enduro 2019

A healthy dose of smooth attitude

£2,099 ^{+OTR}
from £41.44 p/m

An adventurous spirit, let it loose & explore the journey. Taking the less travelled route is what inspires the TX 125 Enduro, all the practicality of a reliable, economic road bike and adding a trail style to produce a bike that stands apart from the pack. A punchy 4 stroke 125 SOHC Cylinder engine propels the rider into possibilities other bikes cannot offer. Comfort levels are high with TX 125 thanks in large part to its extended dampening range, headlined by Inverted USD Front forks and rear Mono-shock the response and feel provided is second to none in its class. Traditional spoked wheels and dual sport tyres compliment the feel and add grip to the overall ride experience.
